تيمناً بجزيرة صقلية الجميلة، إليك Miss Sicily، أول مجموعة لتلوين الشفاه من Dolce & Gabbana، وتضاهي تلك المجموعة الأنيقة جمال المشاهد الساحرة في المدينة، وذلك من خلال تركيبها الخفيفة وألوانها الحيوية والمتنوعة.

PORTUGUESE FASHION ...

Antonio Soares

by Thelma Pott

António Soares has been collaborating with the Portuguese Soul magazine since the first issue. For this edition, we issued him a special challenge: that, using the Portuguese fashion week as a starting point, he presented us with a set of illustrations for the best Portuguese designers. This is the result.

António Soares has been gaining notoriety for the quality of his fashion illustrations, season after season. With an impressive technical dexterity and a shrewd awareness of the potential of the

materials that he works with, such as gouache and watercolour, the artist displays a predilection for manual craft in his work.

His interpretations of creations selected from amongst the most recent collections by Portuguese fashion designers give them a completely new graphic expression and charisma. António imprints each look with an attitude by associating facial expressions to a pose, to a body language.

Also noteworthy is the colour of his amazing compositions. The patterns of the pieces are minutely detailed in extremely interesting chromatic harmonies and contrasts.

António completed his degree in Fine Arts (painting) at the School of Fine Arts of the University of Porto. Since then, he has devoted his time to painting and illustration, as well as to artistic education – in fact, fashion illustration came about at the time he was teaching that subject of the Fashion Design course at CITEX.

## ICONIC NOTES

الرسم: António Soares  
اسم من ذهب خطت به دار Chanel صفحات تاريخها مع عطر Gabrielle الذي يكشف عن هوية امرأة غير مقيدة بالتقاليد. ابتكر العطر خبير عطور الدار Olivier Polge. حيث منحه توليفات من الزهرة البيضاء وزهر الأيلنغ والياسمين وزهر البرتقال مع لمسة من مسك الروم. ولقد تم جمع كل تلك المكونات في زجاجة تسمح للنور بأن يتغلغل عبر زواياها الراقية..

## GUN HEEL Chanel

A collaborative effort between Karl Lagerfeld and Chanel's footwear designer Lauren Figini, the 'Miami Vice' Gun Heel caused quite a stir when it debuted at Chanel's Resort 2009 fashion show. The spectacular pistol-shaped heel, its design controversial considering Chanel's conservative customer base, was spotted on Madonna at multiple occasions.
