What Timeless Style Means to me

Trends come and go, but style is all about what will stand the test of time. Luckily, there's no shortage of inspiration to keep your wardrobe, home décor, and entertaining moments looking timelessly chic, whatever the occasion. We caught up with content creators Laura Jung (@laurajung) and Audrey Rivet (@audreyrivet) to get their take on how Fleur de Mer, an alluring rosé that captures the essence of Provence, helps to inspire that effortless creativity (no matter your geography).

Mix Old and New Home Decor

Our homes provide the perfect opportunity to show off our personalities and build havens of inspiration for all types of creative projects. One simple, ageless philosophy is to mix and match vintage pieces with contemporary ones. "I like finding old candles, dried flowers, or vintage books to decorate my home," Rivet says. "I have these engraved wine glasses that look 'textured.' On sunny days, it's beautiful how the light hits a glass of rosé. It inspires me to create and look at things in a different way." Don't worry too much about how your old and new pieces fit together. As long as you love each one, your personal style will shine through.

Discover a Rosé That Transports You

Certain foods and wines have superpowers. They can capture happy memories and send you to a different place and time. "I love the natural conversation that can occur over a refreshing bottle of Fleur de Mer and a cheeseboard," Jung says. "Even though a crisp rosé can be enjoyed any time of the year, when I drink Fleur de Mer, the cherry, watermelon, and citrus notes have an aura that makes me feel like I'm on a beach in the South of France. So whether I'm entertaining friends or it's just me and my boyfriend, this rosé reminds us to enjoy the moment."

Find Easy Accessories That Elevate Your Look

In a world where most of us cringe at the thought of relinquishing our 24/7 soft clothes, it turns out that you can still look stylish without sacrificing comfort. Think soft, natural fabrics, like a "100% cotton white T-shirt that is good quality and fits really well," Jung says. "Then, throw on a structured cardigan or a tailored blazer." Tie it all together and get creative with a few effortless statement accessories that show off your personality. "I borrowed this vintage silk scarf from my mom that I take with me everywhere," Jung says. "I'm also a fan of gold jewelry, comfortable loafers, and an elevated bag."
