Nationals' man no more

With great power comes great responsibility: Bryce Harper was just a teenager when he first became a National. But the years had a way of slipping by — of changing the world about him. And every young ballplayer . . . sooner or later . . . must go where the money is . . . and become . . . a Phillie!
(Illustration and caption inspired by the iconic splash page from "The Amazing Spider-Man" issue No. 50, written by Stan Lee and drawn by John Romita Sr.)
