Stumpers:
LET'S RECYCLE!

MATH POEM

April is both Earth Day and National Poetry Month! To celebrate, here's (enjoy?) a little math limerick TKTKTK. At this rate, how long will it take Joan and Jon to clean up all 104 pieces of litter in their neighborhood?

On Earth Day, Joan and Jon go "plogging"
Picking up litter as they're jogging
In just one minute they get
4 cans, 7 straws, 1 baguette
And an old sock that smells alarming!

GEOMETRY ACTIVITY:

Ivy recycles empty soda bottles to make hanging planters for her 5x4 ft. garden wall. Each planter is 3x9 in. How many soda bottles does she need if each planter is spaced 1 in. apart?
