TOENAIL MACAROONS

Fresh toenails can prove difficult to extract; if you are using them, leave your human in a cage or dungeon for several months until fungus sets in.

FRESH PUS PIE

Though the monster community fervently awaits the arrival of a plague or epidemic, advances in human medicine have sadly affected the availability of quality pus.

SWEET GOOEY BAKED BRAIN

If serving Giants you will, as always, need to multiply the portions by at least 10.

COARSELY GROUND BONE BISCUITS

The inherent crunchiness of bones makes these unsuitable for the brittle teeth, fangs or tusks of older monsters.

FAIRY BRAIN FUDGE

If using real fairies, be sure to pick out any teeth that they have collected—keep them aside, and sprinkle on a bowl of mucus porridge for added crunch.

SATANIC SMOOTHIE

CAUTION

*Be sure to keep cursed and non-cursed smoothies separate.
Nothing upsets the smooth running of a soirée quite like
a guest being accidentally banished to the pits of hell.*

PICKLED EYEBALLS

*Despite lacking the much-loved 'pop' of the eyeball variety,
this dish retains the sliminess of the original recipe.*
