GET THE LOOK

Perfection
For both looks prepare by applying Second Skin Foundation to create an even, virtually undetectable coverage. Then add Miracle Touch Creamy Blush in Soft Murano to highlight the cheekbones.

CHRISTMAS CRACKER

Evening. Lux it up
Get Britain's Next Top Model gorgeous. Sweep the dark shade of Star-studded Black from the Colour Perfection Duo Eyeshadow under eye and over entire lid and extend out and up towards the hairline. Then take the lighter shade and highlight beyond the outer corner. Next apply Masterpiece Colour Precision Eyeshadow in Stardust to create a highlight in the crease and the Pearl Beige to accentuate the inner corners.

Line top and bottom lashes with Masterpiece Glide & Define Liquid Eyeliner and apply False Lash Effect Mascara in Black. Finish by lightly applying Lipfinity in Angelic.

SNOW QUEEN

Daytime. Tone it down
This is a toned down version of look 1. Apply the lighter shade of Star-Studded Black from Colour Perfection Duo Eyeshadow under eye and over entire lid and extend out slightly. Then take the darker shade and apply in the crease. Finish by accentuating the inner corner with Masterpiece Colour Precision Eyeshadow in Pearl Beige.

Again line lashes with Masterpiece Glide & Define Liquid Eyeliner and complete with False Lash Effect Mascara in Black. Finish by lightly dabbing on Lipfinity in Angelic.

Up to scratch
Complete the look with Nailfinity in Wine Red.
