The illustration depicts a winter scene with children playing in the snow. A duck is flying in the sky, and a squirrel is running in the foreground. The background shows a snowy hill with a fence and a house with a chimney. The sky is filled with falling snow and birds.

Gg

The Gobbling Goats

The goats came in through the garden gate.
They gobbled up our sweet purple grapes.
Then they gobbled up the brussels sprouts.
Next, they galloped into the house!

There they gobbled our green chili stew.
They gobbled our guacamole too.
At last, they were full and said goodnight.
And then we locked that gate really tight!
