The illustration depicts a whimsical winter scene. In the foreground, a squirrel runs across a snowy field. To the left, a small red fish is perched on a dark green leafy plant. In the middle ground, several children in winter clothing are playing in the snow. One child is sliding down a small hill, while others are standing nearby. A yellow duck is flying in the sky above. In the background, there are snow-covered trees and a small house with a chimney emitting smoke. The overall style is soft and painterly.

The Gobbling Goats

The goats came in through the garden gate.
They gobbled up our sweet purple grapes.
Then they gobbled up the brussels sprouts.
Next, they galloped into the house!

There they gobbled our green chili stew.
They gobbled our guacamole too.
At last, they were full and said goodnight.
And then we locked that gate really tight!
