The Artists of a Changing Earth

Did someone say, "Erosion?" You're right! We even have a song for it. Ready?

What a song, and what a show! Let's hear it for these wonderful artists! *(Applause.)* Artists, do you have any final words?

What we do is oh so grand. But it takes time to shape the land. No bulldozers or explosions. We wear it down with EROSION!

Keep on going. Keep on flowing. Keep on moving. And keep on grooving!

The Artists of a Changing Earth

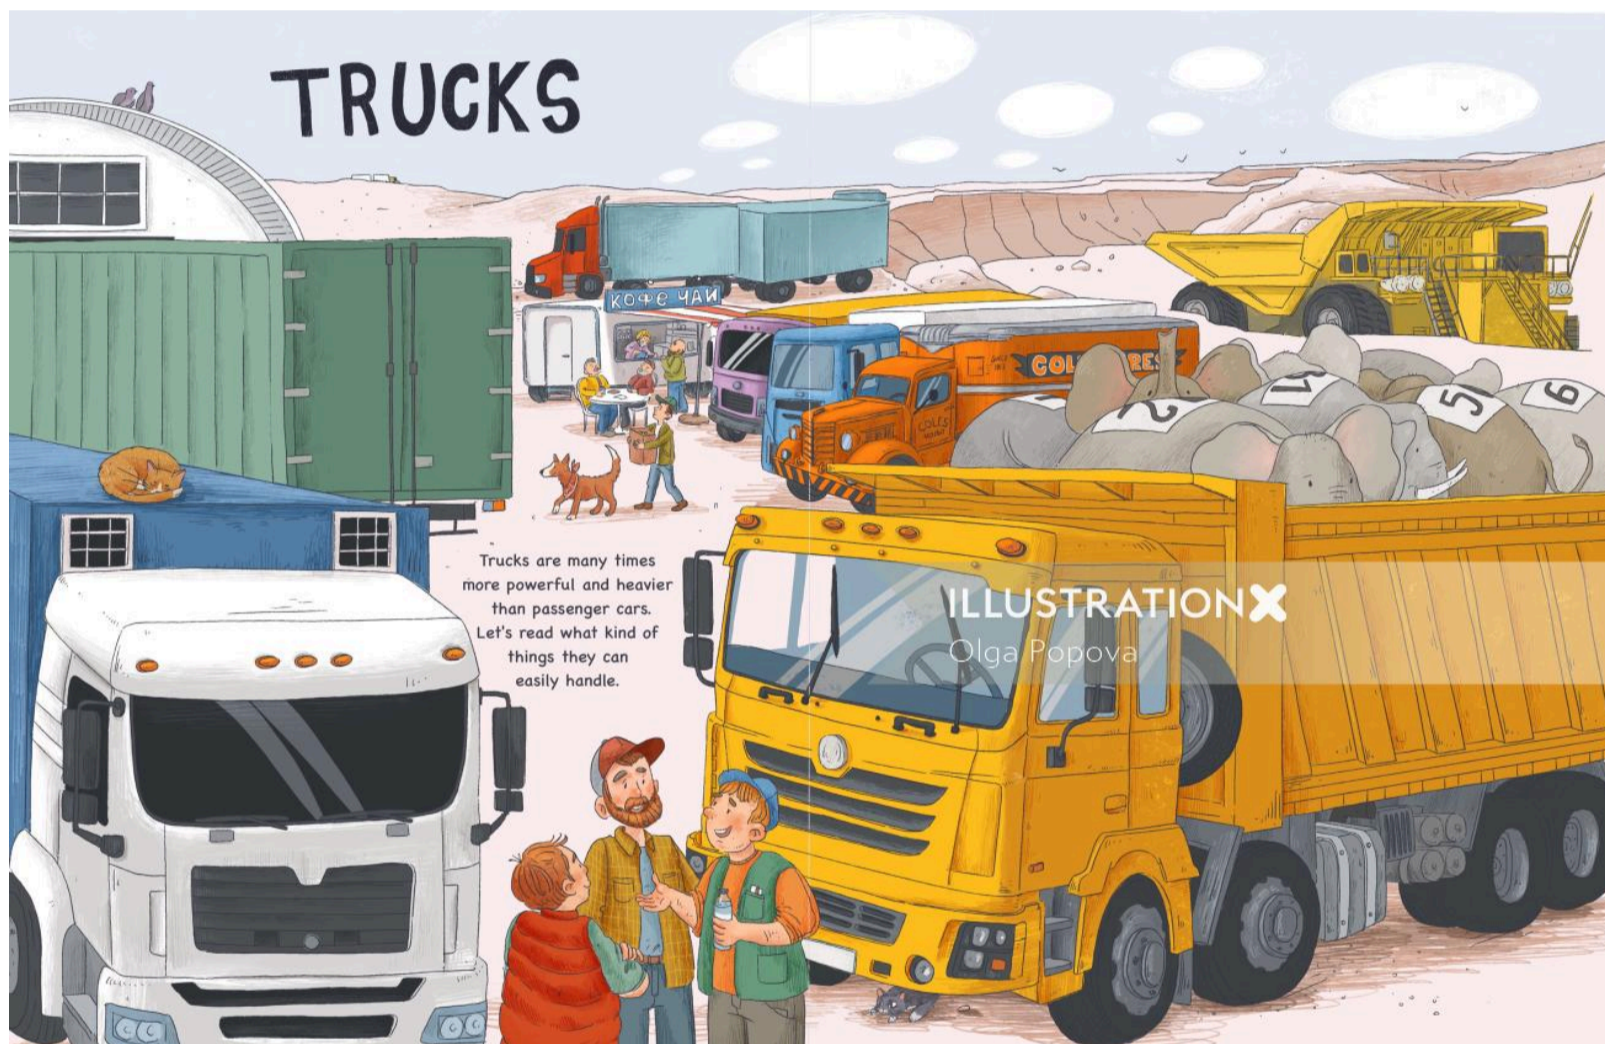

Narrator

Welcome to the biggest art show in the world! In fact, the whole world is the art. We will look at art that a group of four famous artists have done. As you watch, think about what they have in common. First up is Wind. Give Wind a hand. (Applause!)
