## The Floppygoth

The Floppygoth is hungry and  
It's you he wants to eat,  
From the jelly on your fingers to  
The crusties on your feet.

He'll slurp your innards through a straw,  
Like crackers, snap your bones,  
Perhaps he'll chew on gizzard stew  
Then dine on eyes-cream cones.

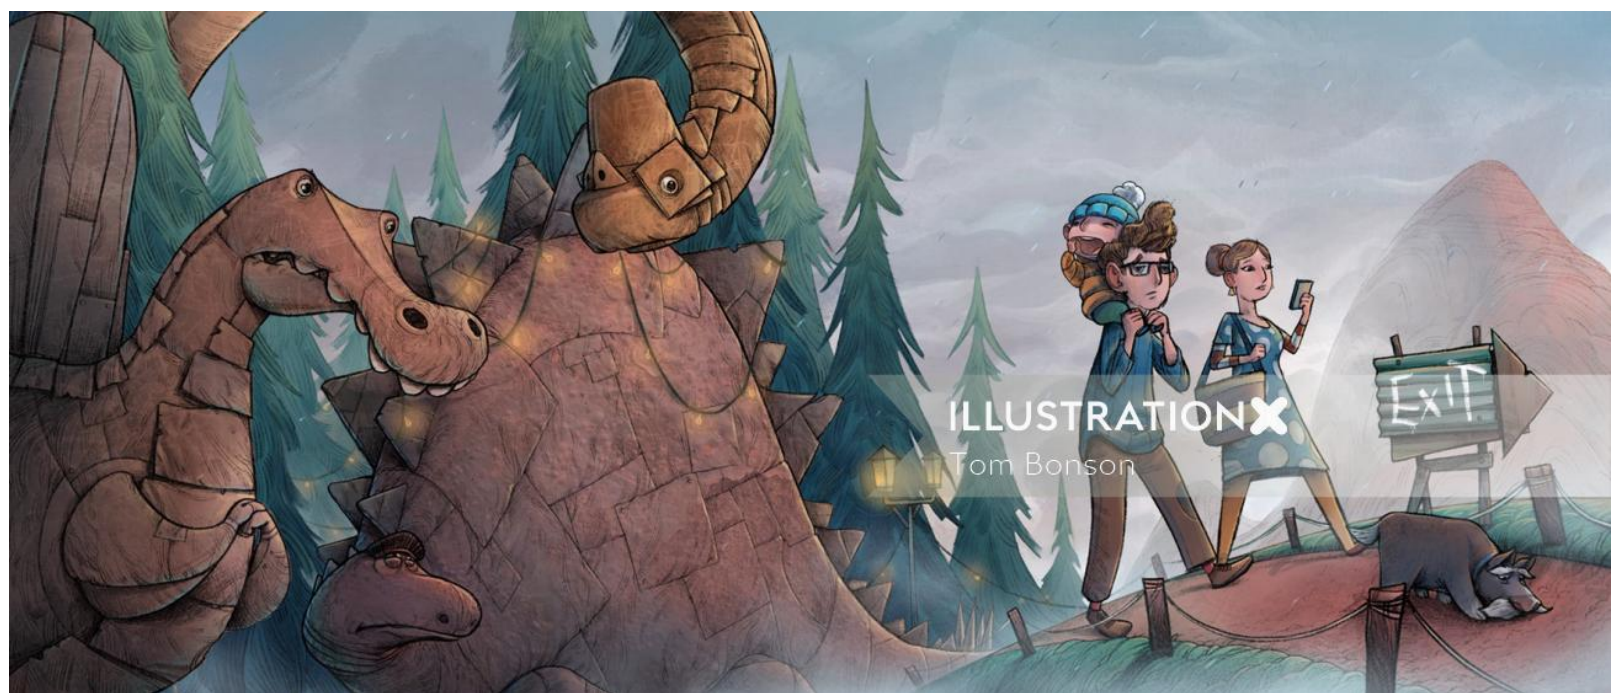

So run before he catches you—  
Quick, hide behind the drapes!  
Or else he'll feast on finger fries  
And pluck your toes like grapes!

11/12. As Tiger walked into this exciting place,  
You should have seen the look on his face  
All you could see was the mightiest grin  
And he danced and he danced as the music kicked in

You see the fear disappears at exactly the minute  
that you take the leap of faith and get in it to win it  
And life is for living and never for lack  
You must go for your dreams and never look back.

21/22. the crowd went crazy and all screamed out loud  
and panda and Tiger were ever so proud

they had both stepped out of their comfort zone  
They had learnt so much and how they had grown

but most of all they had so much fun and it was time to see if they had won

Long, long ago, Dinoland was home  
to some very rusty, and dusty dinosaurs.

The dinos loved living in the park.  
Everyday, come rain or shine, the dinos would  
happily stand and entertain.
