5/6. "Then I will sail to many a place!"
said Panda with a dreamy look on her face.
"But you'll never make it" said Tiger "your raft will just sink"
No it will not I'm more clever than you think

You see there are so many things that I want to achieve
And anything is possible when you truly believe
Your "can't do" mentality will just hold you back
Come on old friend your better than that!

13/14. Tiger was on a roll and cried happy tears
And did all the things he'd dreamed of for so many years
He learnt to sing and raced a car,
and taught himself to play the Guitar
He learnt to swim and learnt to fish
I really can do whatever I wish

11/12. As Tiger walked into this exciting place,
You should have seen the look on his face
All you could see was the mightiest grin
And he danced and he danced as the music kicked in

You see the fear disappears at exactly the minute
that you take the leap of faith and get in it to win it
And life is for living and never for lack
You must go for your dreams and never look back.

21/22. the crowd went crazy and all screamed out loud
and panda and Tiger were ever so proud

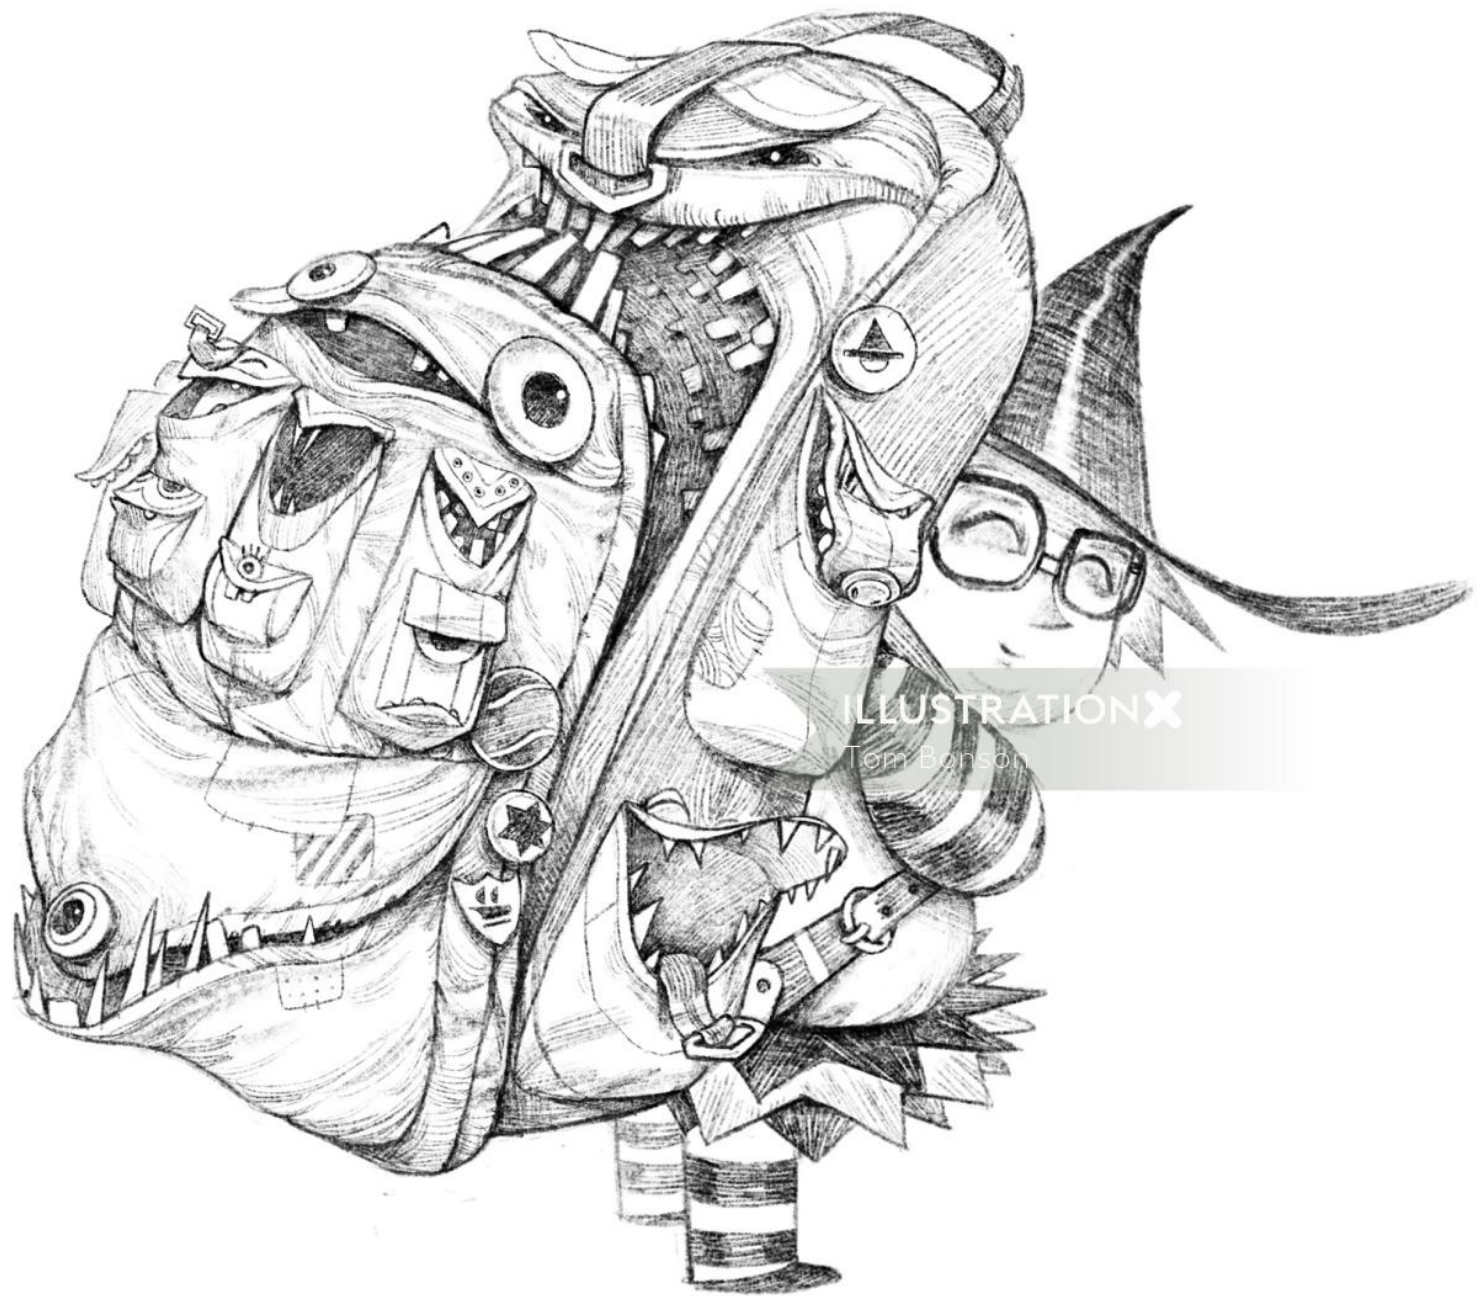

they had both stepped out of their comfort zone
They had learnt so much and how they had grown

but most of all they had so much fun and it was time to see if they had won
