Near a humming highway,  
a giant forest stands firm.

Thousands of trees—almost exactly  
alike—whisper in the wind,  
stretching higher than you can climb,  
farther than you can see.

All these trees tremble  
in the same breeze.

Their yellow leaves shimmer  
in the same sunshine,  
dancing to the same symphony  
of chirping birds.

*At least for now...*
