XX Judgment

Awakening and Renewal

Rising from a bed of lush ferns, an angelic being outstretches her arms toward the sky. Her robe is adorned with sprigs of angelica and hyssop, which symbolize purification and spiritual awakening. A majestic owl, its wings spread wide, perches nearby, clutching a branch of mugwort, an herb of wisdom and intuition. Around the luminous figure, white lilies bloom under a radiant dawn, evoking rebirth and clarity of purpose.

Meaning: Judgement heralds a profound awakening, calling you to rise above past limitations and embrace your higher purpose. At this moment of reckoning, reflection leads to transformation. Listen to the call within you. Release old patterns, forgive yourself, and embrace your authentic path. Like the owl, trust your intuition to guide you toward clarity. Reflect on your journey and acknowledge your growth.

Practice: In order to accept the spiritual awakening you are about to experience, you need to cleanse your space and your personal energy. Hyssop is a wonderful herb to do just that. Brew a pot of hyssop tea using a palmful of the dried herb. Pour the tea into a cup, then take a clean white cloth and dip it into the warm water. Use it to wipe down all your door knobs, windowsills, tables, and anywhere else you think needs negative energy removed. Sweep your front and back entry to your home and pour the rest of the pot of hyssop tea outside both doors.

GUIDANCE

Move forward with courage, knowing you are ready to embody your higher purpose.

34 The Major Arcana

XXI The World

Honor the End of a Cycle

The World depicts a woman experiencing liberation after a long effort and success from a cycle of energetic work. The celebratory aspect of the card is to honor that positive and fruitful cycle. Through the lens of green witchery, this is a time of harvesting all the seeds for success you planted. Your garden bursts with beauty and life-giving vegetables, herbs, fruits, nuts, and berries which all can enjoy.

Meaning: You have completed a full cycle of your life and should enjoy the fruits of your labor. Drawing this card is an indication that you are wrapping up a phase of your life. Now is the time to enjoy the benefits of your sustained effort and energy. You are in a liminal period where you can rest, acknowledge your bounty, be recognized by the world, and reap the benefits of what you have accomplished in the cycle of your life that has just ended. You need to thank and release this cycle to help you prepare for the new phase to come.

Practice: Incorporating the reaping and harvesting energy of this card is an important way to stay connected to the Earth. Plant a tree that bears fruit or nuts in your garden or deck space, whether it is a lemon tree in a handsome big pot on your front porch, herbs on a sunny windowsill, an apple tree out back, or a grape vine growing on the fence. Tend your new planting lovingly and you will reap what you have sown.

GUIDANCE

Be grateful for the significant time in your life which has just ended and all the lessons learned and new experiences it brought you.
